Last updated 2/9/2026

*The 2002 & 2003 landings may possibly reflect the increased effort by DMR to collect voluntary landings from some lobster dealers; caution is advised when comparing these numbers to previous years.

**Lobster reporting became mandatory in 2004 for all Maine dealers buying directly from harvesters, so caution is advised when comparing these landings to previous years.

***County totals may not equal yearly totals as some landings are not associated to a county and are confidential.

All 2025 data are preliminary
