

Fiscal Year	Town	Project Title	Project Category	Award Amount
2011	Belfast	Working waterfront harbor management, harbor facilities, and mooring assessment plan	Harbor Management Planning	\$20,000
2011	Damariscotta	Damariscotta Harbor shore master plan phase II - Engineering designs	Waterfront Improvement Planning	\$20,000
2011	Harpswell	Feasibility study and design for Mitchell Field boat launch	Infrastructure Planning	\$20,000
2011	Kittery	Pepperell Cove Fish Pier planning and design project	Infrastructure Planning	\$14,950
2011	Northport	Mooring location and mooring plan development	Harbor Management Planning Moorings	\$3,650
2011	Ogunquit	Development of a harbor management plan	Harbor Management Planning	\$15,000
2011	Rockland	Rockland Municipal Fish Pier planning and design proposal - freezer relocation project	Waterfront Improvement Planning	\$10,050
2011	Stonington	Colwell Public Wharf and ramp engineering project	Infrastructure Planning	\$15,375
2011	Topsham	Lower Village public water access and redevelopment plan	Waterfront Improvement Planning	\$20,000
2011	Wiscasset	White's Bridge design and engineering proposal	Infrastructure Planning	\$20,000
2012	Bath	Bath waterfront pier dolphin improvement engineering	Infrastructure Planning	\$16,977
2012	Frenchboro	Design of Frenchboro Town Wharf	Infrastructure Planning	\$11,925
2012	Harpswell	Harpswell shoreland zoning review	Zoning Planning	\$20,000
2012	Rockport	Planning and design project for marine park	Waterfront Improvement Planning	\$9,275
2012	Wells	Update of the 1991 Wells Harbor Management Plan	Harbor Management Planning	\$16,650
2013	Biddeford	Planning and final design of a hand-carry canoe/kayak launch	Access Planning	\$16,950
2013	Bowdoinham	Maily Waterfront Park facilities planning	Waterfront Improvement Planning	\$10,000
2013	Brunswick	Brunswick Harbor Management Plan	Harbor Management Planning	\$20,000
2013	Camden	Best uses of Camden Harbor's public landing	Waterfront Improvement Planning	\$15,000
2013	Deer Isle	Bridge End	Infrastructure Planning	\$15,000
2013	Freeport	Freeport shellfish habitat resource planning	Resource Survey	\$20,000
2013	Kittery	Master plan development for port, harbor, and public access facilities	Capital Improvement Planning	\$15,000
2013	Northport	Saturday Cove Access Project	Access Planning	\$15,000
2013	Topsham	Lower village and waterfront trail pedestrian connectivity	Waterfront Improvement Planning	\$13,000
2013	Waldoboro	Pine Street landing renewal	Waterfront Improvement Planning	\$20,000
2013	Yarmouth	Town landing master plan and design report	Infrastructure Planning	\$18,000

Fiscal Year	Town	Project Title	Project Category	Award Amount
2014	Eliot	Improved access to the Piscataqua River at Park Street and Pleasant Street	Access Planning	\$15,200
2014	Kittery	Pepperell Cove wave protection Design	Infrastructure Planning	\$20,000
2014	Lubec	Lubec gangway and seasonal dock facility	Infrastructure Planning	\$12,000
2014	Perry/Pembroke	Mooring plans and public access	Harbor Management Planning	\$12,468
2014	Rockland	Engineer planning for improved boat ramp at Snow Marine Park	Infrastructure Planning	\$6,000
2014	Wiscasset	Wiscasset waterfront boardwalk project	Waterfront Improvement Planning	\$20,000
2015	Chebeague Island	Municipal harbor improvements at Sunset Landing - property analysis	Waterfront Improvement Planning	\$20,000
2015	Richmond	Waterfront extension path to Swan Island boat landing	Waterfront Improvement Planning	\$7,239
2015	Rockland	Planning new technology improvements and dredge survey	Dredging Planning	\$10,000
2015	Rockland	Design and engineering for improved Rockland Public Pier	Infrastructure Planning	\$15,000
2016	Bath	Guliford Lot Cooperative Fishing Pier	Infrastructure Planning	\$10,000
2016	Brunswick	Brunswick public mooring field opportunities	Harbor Management Planning Mooring	\$15,900
2016	Calais	Municipal Pier Expansion	Infrastructure Planning	\$10,000
2016	Cranberry Isles	Isleford town dock engineering and design on Little Cranberry Island	Infrastructure Planning	\$30,000
2016	Cumberland	Payson Pier replacement project	Infrastructure Planning	\$20,906
2016	Frenchboro	Frenchboro waterfront management plan	Harbor Management Planning	\$20,000
2016	Lubec	Mooring mapping	Harbor Management Planning Mooring	\$5,000
2016	Ogunquit	Replacement of existing pedestrian bridge	Infrastructure Planning	\$20,000
2016	Portland	East End beach non-motorized boating facility	Infrastructure Planning	\$22,500
2016	Sedgwick	Benjamin River harbor design and engineering	Infrastructure Planning	\$15,000
2016	Wells	Who owns the beach? An access and ownership research project	Access Planning	\$8,900

Fiscal Year	Town	Project Title	Project Category	Award Amount
2017	Chebeague Island	Harbor Master Plan for Stone Pier	Infrastructure Planning	\$27,500
2017	Eastport	Eastport breakwater inner harbor dredge design	Dredging Planning	\$25,200
2017	Harpswell	Pier Replacement - Mitchell Field	Infrastructure Planning	\$8,250
2017	Jonesport	Public Access planning for commercial fishermen	Access Planning	\$30,000
2017	Lincolntonville	Municipal harbor facilities evaluation	Infrastructure Planning	\$16,000
2017	Long Island	Mariner's Wharf expansion	Infrastructure Planning	\$26,672
2017	Southwest Harbor	Harbor and Waterfront management planning project	Harbor Management Planning	\$12,500
2017	Tremont	Wharf evaluation and load study	Infrastructure Planning	\$5,550
2018	Chebeague Island	Harbor Master Plan for Sunset Landing	Infrastructure Planning	\$28,000
2018	Damariscotta	Waterfront restroom design and engineering	Waterfront Improvement Planning	\$17,300
2018	Frenchboro	Deepwater municipal landing study	Infrastructure Planning	\$18,150
2018	Gouldsboro	Prospect Harbor working waterfront revitalization plan	Waterfront Improvement Planning	\$21,000
2018	SMPDC	Assessing the feasibility of purchasing a dredge	Dredging Planning	\$27,429
2018	South Portland	Portland Street Pier - master plan and feasibility	Infrastructure Planning	\$30,000
2019	Biddeford	Planning and Final Design for a new boat launch at Vines Landing	Infrastructure Planning	\$28,000
2019	Boothbay Harbor	Boothbay Harbor east side working waterfront improvements	Waterfront Improvement Planning	\$29,500
2019	Cutler	Little Machias Bay Landing	Infrastructure Planning	\$9,735
2019	Milbridge	Narraguagus River Dredge Analysis project	Dredging Planning	\$23,578
2019	Monhegan Island	Monhegan Island Harbor and water supply protection project	Waterfront Improvement Planning	\$30,000
2019	Mount Desert	Bartlett's Landing mooring plan	Harbor Management Planning Mooring	\$5,000
2019	Rockland	Rockland Harbor Management Plan	Harbor Management Planning	\$30,000
2019	South Portland	Portland Street Pier Design	Infrastructure Planning	\$30,000
2019	Stonington	Enhancements for Stonington Fish Pier	Infrastructure Planning	\$30,000
2019	Waldoboro	Dutch Neck Landing renewal project	Infrastructure Planning	\$18,000
2020	Bucksport	Planning and Design of Town Pier Improvements	Infrastructure Planning	\$30,000
2020	Cape Elizabeth	Kettle Cove Boat Access Grant	Access Planning	\$13,750
2020	Jonesport	Henry's Point Public Working Waterfront	Infrastructure Planning	\$30,000
2020	Long Island	Wave Attenuator Installation Planning	Infrastructure Planning	\$30,000

Fiscal Year	Town	Project Title	Project Category	Award Amount
2020	Lubec	Bartlett's Landing mooring plan	Harbor Management Planning Moorings	\$30,000
2020	Rockport	Town of Rockport Harbor Improvement Project	Capital Improvement Planning	\$15,000
2020	Southwest Harbor	Improvement of the Manset Dock and Facilities	Waterfront Improvement Planning	\$25,000
2020	Swans Island	Swan's Island Dock Replacement	Infrastructure Planning	\$20,000
2020	Thomaston	Town of Thomaston Harbor Improvement Project	Capital Improvement Planning	\$17,500
2020	Vinalhaven	Vinalhaven Harbor Management Plan	Harbor Management Planning	\$22,500
2020	WWCOG	Working waterfront planning in Black Duck Cove	Infrastructure Planning	\$20,051
2021	Bowdoinham	Former municipal public works site: waterfront redevelopment	Waterfront Improvement Planning	\$30,000
2021	Brooksville	Betsy's Cove parking lot repair and expansion	Waterfront Improvement Planning	\$29,750
2021	Deer Isle	Right of Way discovery project	Access Planning	\$7,800
2021	Rockland	Downtown waterfront site design and implementation	Waterfront Improvement Planning	\$30,000
2021	Stonington	Enhancement to Stonington Public Landing	Infrastructure Planning	\$30,000
2021	Swans Island	Dock Replacement	Infrastructure Planning	\$20,000
2021	Wiscasset	Recreational Pier Expansion	Infrastructure Planning	\$7,500
2022	Belfast	Breakwater Improvements Planning and Preliminary Design	Infrastructure Planning	\$29,325
2022	Falmouth	Town Landing Resiliency Study	Infrastructure Planning	\$15,000
2022	Gouldsboro	Planning for Change Along Gouldsboro's Shore	Access Planning	\$29,623
2022	Monhegan Island	Public Wharf Condition and Resiliency Assessment	Infrastructure Planning	\$30,000
2022	Orrington	Conceptual Design of Boat Launch Facility	Infrastructure Planning	\$28,000
2022	Topsham	Water Access Facilities Feasibility Study	Infrastructure Planning	\$13,000
2022	Vinalhaven	Preliminary roadway and culvert assessment to mitigate coastal flooding on North Haven Road	Infrastructure Planning	\$28,125
2023	Bar Harbor	Master plan for the former ferry terminal property	Infrastructure Planning	\$50,000
2023	Chebeague Island	Chebeague Stone Wharf resiliency planning and design	Infrastructure Planning	\$47,392
2023	GPCOG	Protecting and improving shore access in Casco Bay	Access Planning	\$48,095
2023	Long Island	Ponce's Landing redesign	Infrastructure Planning	\$50,000
2023	Thomaston	Town of Thomaston Paddle Craft Ramp Project	Infrastructure Planning	\$7,000

Fiscal Year	Town	Project Title	Project Category	Award Amount
2024	Belfast	City of Belfast sedimentation study for breakwater improvements	Infrastructure Planning	\$50,000
2024	Brooklin	Shoreline planning and public access enhancement at Bridges Point and Dodge's Wharf, Brooklin	Waterfront Improvement Planning	\$50,000
2024	Bucksport	Master plan for downtown waterfront	Waterfront Improvement Planning	\$50,000
