Addison, ME 04606-0142

Re: Conservation Closure(s)/Opening(s)

Dear Ms. Lenfestey:

This is to acknowledge receipt of the following request(s). **New areas are in BOLD.** These areas are closed to the harvest of softshell clams.

Effective	End	Shellfish Area	Status
1/8/2025	6/30/2025	<b>Southern Long Cove:</b> Beginning at the southwestern most point of Green Point, then going west towards Scott Perry's wharf, then going south at the Addison town line in the Pleasant River, then going south to a line from the northernmost point of Hemlock Island south to the northernmost point of Long Point.	Closed
1/8/2025	6/30/2025	<b>Northern Long Cove:</b> Beginning at the northwestern most point of Reef Point then west to the Addison town line in the Pleasant River, then south to a line starting at the southwestern most point of Green Point, then west towards Scott Perry's wharf and ending at the Addison town line in the Pleasant River.	Open
1/8/2025	4/30/2025	Upper Pleasant River: <b>South of a line beginning at the northern tip of Marsh Island directly to the opposite shore of the Pleasant River; and north of a line beginning at the northwestern most point of the Main Drain in Upper Wass Cove, following said Main Drain out to the Pleasant River then following the Addison town line in the Pleasant River south to the northern closure boundary line of Northern Long Cove. (This closure area is within the State Pollution Closure EM, CA1)</b>	Open

This office approves of the Town of Addison's conservation measures. We appreciate your efforts to keep us informed on your conservation activities.

If I can be of further assistance, please don't hesitate to contact me.

Sincerely,

Kohl Kanwit  
Director, Bureau of Public Health and Aquaculture
