Re: 2025 Allocation Approval – Cumberland

Dear Ms. Doten:

We have reviewed the proposed shellfish license allocations for 2025, and hereby approve them as follows:

The required 10% rule for issuing non-resident licenses is a minimum requirement and the town may choose to issue more than 10% if desired.

Class	Subclass	Amount	Cost
Commercial	Resident	1	\$110.00
Commercial	Non-Resident	1	\$220.00
Recreational	Resident	No Limit Set	\$20.00
Recreational	Nonresident	25 or 10%, whichever is greater	\$40.00

Licenses may be issued starting on January 1, 2025, following a minimum of 10 days advertising pursuant to Title 12. §6671 3-A. C. For categories of licenses which have limited numbers for both residents and non-residents: after March 10, 2025, any unsold licenses must be made available without regard to residency (Title 12. §6671 3-A. C.) for the original allocated fee (DMR Chapter 7.40 (1). Please reach out with any questions.

Sincerely,

Kohl Kanwit
