Ogunquit, ME 03907

Re: 2024-2025 Allocation Approval - Ogunquit

Dear Ms. Murphy:

We have reviewed the proposed shellfish license allocations for 2024-2025, and hereby approve them as follows:

<i>Class</i>	<i>Subclass</i>	<i>Amount</i>	<i>Cost</i>
Recreational	Resident	95	\$35.00
Recreational	Nonresident	10	\$70.00
Recreational	One Day Res/Non-Res	110 per day	\$15.00

Licenses may be issued starting on November 1, 2024, following a minimum of 10 days advertising pursuant to Title 12. §6671 3-A. C. For categories of licenses which have limited numbers for both residents and non-residents: after January 30, 2025, any unsold licenses must be made available without regard to residency (Title 12. §6671 3-A. C.) for the original allocated fee (DMR Chapter 7.40 (1)). In addition, the senior license category for both residents and nonresidents cannot be approved until defined in the Ogunquit shellfish ordinance, therefore those licenses shall not be considered as part of this allocation approval. The marine resource scientist will work with the town of Ogunquit to review any necessary ordinance amendments, including the addition of the senior license category.

Please feel free to reach out with any questions.

Sincerely,

Kohl Kanwit
Bureau of Public Health and Aquaculture, Director

cc: Ari Leach, Marine Resources Scientist II
