Re: Conservation Closure(s)/Opening(s)

Dear Ms. Lowell:

This is to inform you of the following closure.

Effective	End Date	Shellfish Area	Status
04/24/2019	04/30/2019	Fernald Cove - north and west of a line beginning at the southeastern tip of Connor Point, then running northeast to the southern tip of Fernald Point.	Closed

This conservation closure is enacted to coincide with the town of Southwest Harbor's clam transplant activity, scheduled and permitted for 4/25/19. The state conditional closure of this area begins on May 1st. We appreciate your efforts to keep us informed on your conservation activities.

If I can be of further assistance, please don't hesitate to contact me.

Sincerely,

Denis-Marc Nault
Shellfish Program Supervisor
