Re: 2023 Allocation Approval

Dear Ms. Perry;

We have reviewed the proposed shellfish license allocations for 2023, and hereby approve them as follows:

The required 10% rule for issuing non-resident licenses is a minimum requirement and the town may choose to issue more than 10% if desired.

| <i>Class</i> | <i>Subclass</i>    | <i>Number</i> | <i>Cost</i> |
|--------------|--------------------|---------------|-------------|
| Commercial   | Resident           | 11            | \$250.00    |
| Commercial   | Nonresident        | 3             | \$375.00    |
| Commercial   | Senior Resident    | 3             | \$100.00    |
| Commercial   | Junior Resident    | 3             | \$100.00    |
| Recreational | Resident           | No Limit Set  | \$20.00     |
| Recreational | Nonresident        | 10%           | \$30.00     |
| Recreational | Senior Resident    | No Limit Set  | \$15.00     |
| Recreational | Senior Nonresident | 10%           | \$30.00     |
| Recreational | Junior Resident    | No Limit Set  | \$15.00     |
| Recreational | Junior Nonresident | 10%           | \$30.00     |

Licenses may be issued starting on March 16, 2023, following a minimum of 10 days advertising pursuant to Title 12. §6671 3-A. C.

Please feel free to reach out with any questions.

Sincerely,

Meredith White, Nearshore Marine Resources Program Supervisor

Cc: Ari Leach, Marine Resource Scientist II
