Re: Conservation Closure(s)/Opening(s)

Dear Ms. Jameson:

This is to acknowledge the following conservation closure/opening request(s). **New requests are in BOLD. This closure is for soft shell clams only.**

Effective	End	Shellfish Area	Status
10/28/2022	04/28/2023	<b>Upper East Side – east of a line beginning at a red painted post located on the east shore (opposite from a red painted post located approximately 220 yards south of a prominent point south of Laila Ln) running southwest to red nun “24”, then extending south to red nun “22”, then running southeast to a red painted post on the southwest most point of land known as Hoffse Point</b>	Closed

This office approves of the Town of Waldoboro’s conservation measures. We appreciate your efforts to keep us informed on your conservation activities. If I can be of further assistance, please don't hesitate to contact me.

Sincerely,

Denis-Marc Nault  
Shellfish Program Supervisor

CC: Hannah Annis, Area Biologist  
Lt. Daniel White, Marine Patrol Division I
