

## **MLTI Advisory Board Meeting**

Via Zoom  
July 15, 2020  
**Summary**

---

### **SWOT Analysis of Member Submitted Plans**

Advisory board members submitted MLTI v2.0 framework proposals to be processed through the SWOT protocol. The [member submitted plans](#) included:

- Student Agency Platform Plan
- Pedagogical Needs Approach Plan
- Device and PD Approach Plan

Continuing the SWOT protocol used during June's meeting, a whip-around including all members was completed, each member had the opportunity to voice strengths, weaknesses, opportunities, and threats for each of the member submitted plans. A detailed account of members' SWOT comments can be found in the [meeting slide deck](#).

### **From SWOT to a Plan Framework/Implications/Developing Potential Plans**

Advisory board members were split into five groups to review the SWOT analysis. The intent of the SWOT to Plan Framework activity was to determine implications of each SWOT statement which would create a strategy and action for the MLTI v2.0 plan. In addition, the implication statements would provide actionable work for the state-level MLTI team.
