

FAQ About MLTI Distinguished Educator Role

Q: What is an MLTI distinguished educator?

A: An instructional coach and professional learning specialist, who supports the MLTI 2.0 professional learning plan. [Click here to learn more.](#)

Q: What will the MLTI distinguished educators do?

A: Deliver instructional coaching, technology integration support, and professional learning opportunities to MLTI 2.0 teachers in the field.

Q: Is this a full-time position?

A: Yes. This is full-time for two years.

Q: Do I need to be a certified teacher?

A: Yes.

Q: Will I be expected to travel to Augusta?

A: You may be expected to travel to Augusta on occasion, but daily work will be conducted from your home location.

Q: Will I be a state employee (w/ state benefits, etc.) or do I keep my district benefits?

A: You will remain an employee of your school district and retain your district benefits.

Q: How do sick days, personal days, etc. work?

A: You will still have the same accrual of sick days and personal days that you currently have, but you will coordinate this time with your MDOE supervisor.

Q: Is course reimbursement, similar to what school districts offer, possible in this position?

A: If you are currently eligible for course reimbursement through your school, this structure will remain in place. MDOE will not be offering any additional course reimbursement during this contract period.

Q: Will I be expected to attend or present at events outside “my region”?

A: One of the goals of this position is collaboration, so attending or presenting at events in other geographic regions, state-wide events (MLTI Student Conference, ACTEM Conference, etc.) or even national events (ISTE, SETDA, etc.) may be required.

Q: Will I have opportunities to work with students?

A: This position will primarily include working with teachers whose students have MLTI devices and the administration of those schools and SAUs, however some interaction with students is likely.

Q: Will I be provided with technology? If so, what?

A: Yes. You will be provided with a state-issued Windows-based laptop, cellular phone, and access to MLTI devices as needed. Maine DOE communications will happen through Microsoft Outlook, Teams, etc.

Q: Will I be able to continue non-teaching responsibilities/commitments at my school? (i.e. coaching, clubs, and other extracurriculars)

A: These activities are possible to continue but will need to be agreed to and coordinated with your supervisor during the hiring process.

Q: Is there travel reimbursement?

A: There will be travel reimbursement available for approved travel. State travel reimbursement requirements can be found at: <https://www.maine.gov/osc/travel> There is currently no travel due to the on-going COVID-19 pandemic.

Q: Would I be initiating conversations with schools or will that be setup by the DOE?

A: You will work as a member of the Learning Through Technology to coordinate outreach and communication.

Q: Will I have flexibility in my scheduling (start & end times)?

A: This will be agreed on and coordinated with your supervisor at the Maine DOE during the hiring process

Q: Will I have vacations when my school has vacations?

A: Yes. You maintain the same vacation as in your district contract.

Q: Will I have opportunities to share what is happening in my schools?

A: Yes! This will be an important part of this position. The Maine Department of Education is always looking to celebrate the good work happening in Maine schools. As someone working on the frontlines, your contributions to MDOE media campaigns and publications will be crucial.
