

MLTI 2.0 Professional Learning

Mission, Vision, and Values

Our Mission

Ensure equitable access to statewide innovative, high-quality MLTI professional learning opportunities that emphasize research-based, effective, and relevant student-centered principles.

Our Vision

All teachers actively engage in MLTI professional learning and collaborate within schools, throughout regions, and across the state to provide active and innovative learning experiences for all students.

Our Values

- | | | |
|-----------------|-----------------|---------------|
| ★ Collaboration | ★ Communication | ★ Equity |
| ★ Innovation | ★ Resilience | ★ Inclusion |
| ★ Connection | ★ Empathy | ★ Mindfulness |

**MLTI 2.0
Professional
Learning
Roles**

MLTI Ambassador

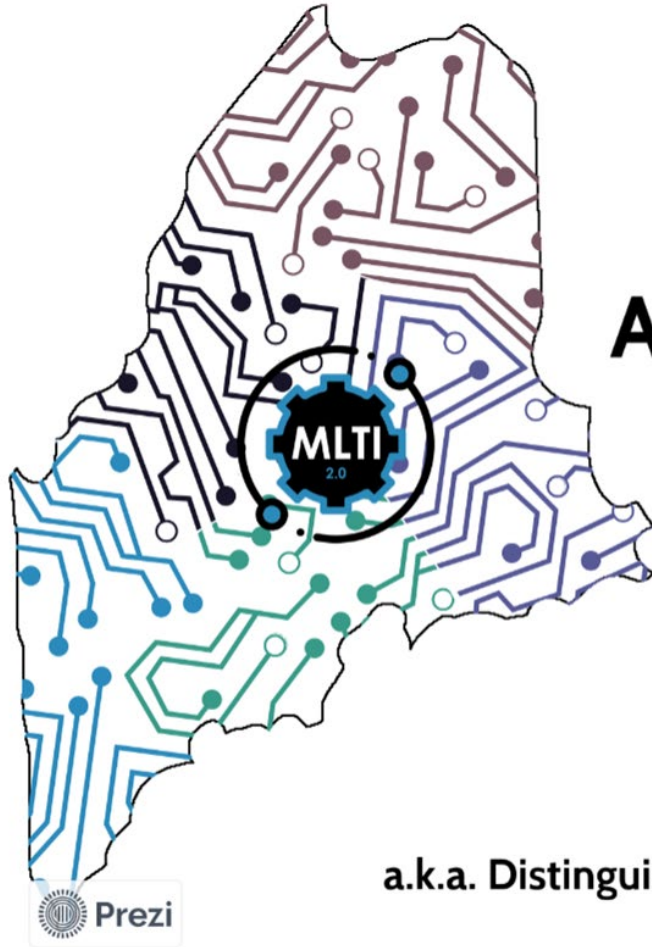

One who acts as representative, promoter, and provider of MLTI professional learning.

MLTI Liaison

One whose communication facilitates a close working relationship between MLTI Ambassadors and MLTI Practitioners.

MLTI Practitioner

One who brings the MLTI professional learning mission and vision to full realization.

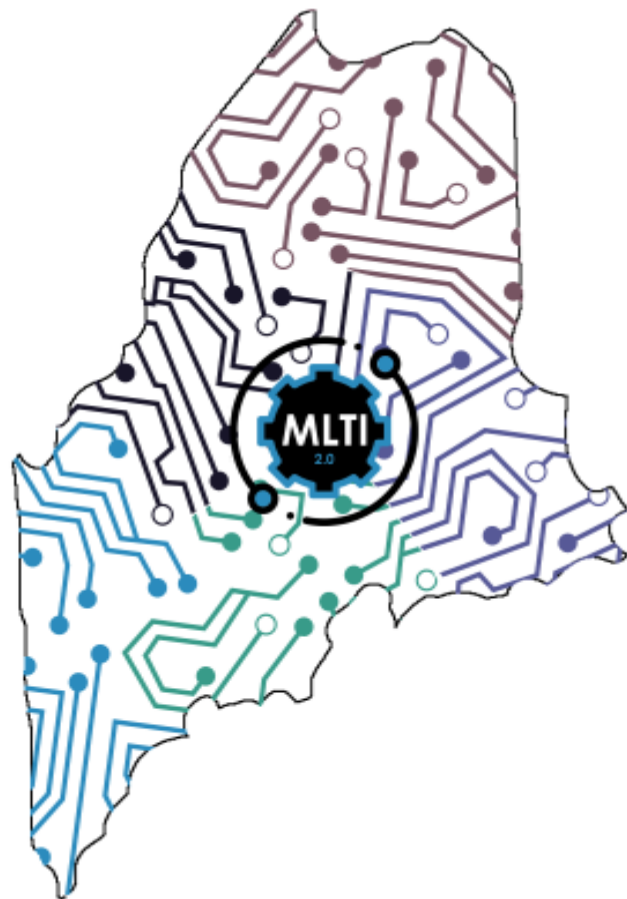

MLTI Ambassadors

a.k.a. Distinguished Educators

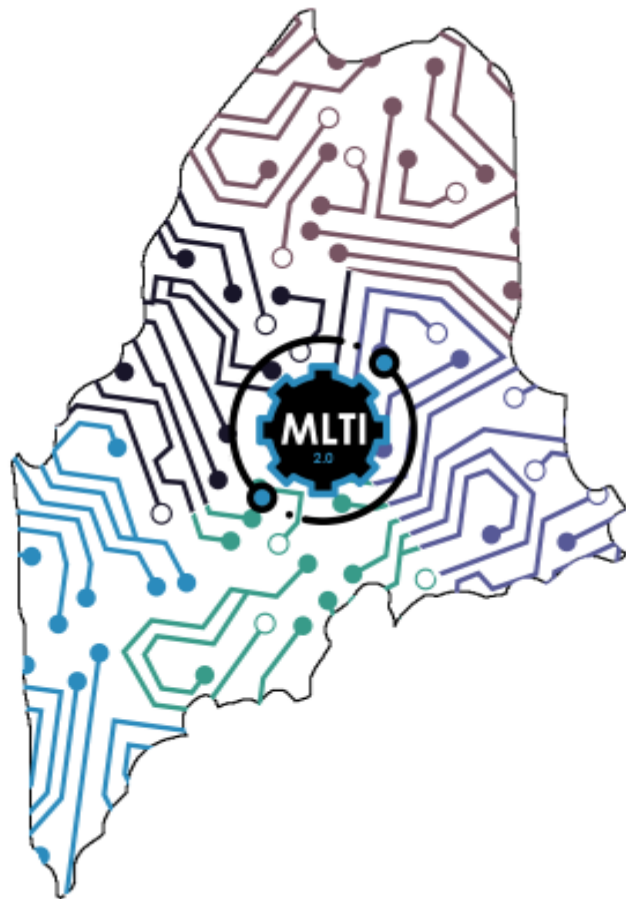

Instructional Coaching

- Support schools with targeted professional learning in focused areas.
- Develop goals with educators.
- Work in schools - shoulder-to-shoulder.

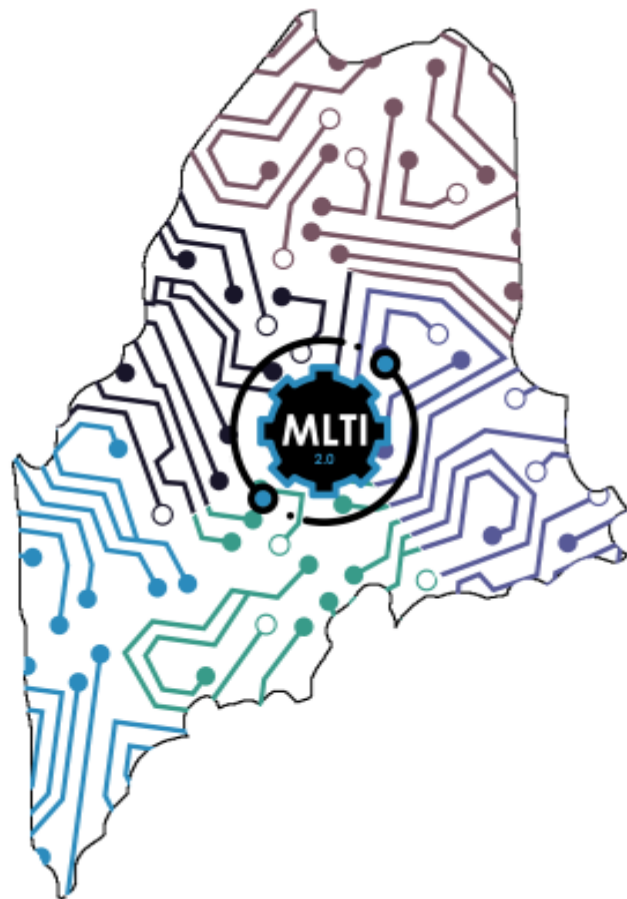

Professional Learning

- Develop and deliver professional learning for educators.
- Organize and coordinate events.
- Facilitate state-level professional learning opportunities.

Community Building

- Stay embedded in the community.
- Build regional cohorts.
- Facilitate regional opportunities for learning and sharing.

Christine also knows that Brewster has a full-time technology integrator who has done trainings around MaxOverDrive
