How many students and staff will be coming from your school?

To allow for the more schools to register, we initially cap each school's registration at 40 students and 8 adults. Enter 48 or less in this block.

How many spots over 48 would you be interested in registering if there is space? We will contact the lead teacher and you will have the opportunity to add more students. If none, please enter "0."

For safety, we ask that each school register one chaperone for every five students.

We need the following information: Full name, grade, school, t-shirt size (t-shirt sizes are adult sizes only), accessibility needs, dietary restrictions, and if they have a media release or not. **Please upload as an excel or PDF file.**
