

**Talk About It**

Name: \_\_\_\_\_ Date: \_\_\_\_\_

This young child is eating cherries right from a tree. Based on what you know about pollination, what needs to happen for these cherries to grow?

How would you explain this process to a four year old?

Look carefully at the image. **Talk** with your partner, **draw and write** about your ideas, and then **share** your writing. Use important vocabulary words as you talk and write. **Circle** the important words you use.
