***Preparation:***  
Have digital device ready to take picture of homes built

- Procedure:***
- Week 1: Take pictures of homes built by children
  - Week 2: Place pictures of homes together for a slideshow (using Google Slides or Powerpoint) that children can view (as a small group or large group)
  - Week 2: During viewing of slide show extend discussion on neighborhood - a place where people live

<p><b><i>Documentation:</i></b> The slideshow can be used for child assessment. Slideshow can be electronically shared with parents through email, or a classroom social media site such as Class DoJo or SeeSaw</p>
