### Let's Find Out About It:

"In *Peter's Chair*, Peter's father painted Peter's old **cradle**, **crib**, and **highchair** for his sister Susie. Peter didn't need them anymore, he wasn't a baby."

"**Cradles**, **cribs**, and **highchairs** are **furniture** for babies. What do you notice?"

"How is a **cradle** similar to or different from a **crib**? The **curved** part is called a **rocker**. What do you notice?"

"**Rocking** babies in **cradles** can **soothe** them when they are upset or help them fall asleep."

"A **crib** has **slats** on the sides to keep a baby **safe**. When babies get older, those **rascals** can climb right out!"

"Why do you think a **highchair** is designed like this?"

"Can you name other furniture that is specifically designed for babies?"
