

<p>Unit 1 Week 3</p>	<p><b><i>Sign Making: Writing and Drawing, Blocks</i></b></p> <p>Lower Level Technology Supplement</p>	<p>ISTE-S Standard 3c</p>	<p>Standards: ELA.W.PDPS.1 ELA.W.R.PS.2</p>
--------------------------	--	-----------------------------------	---

***Technology Concepts***

- Educreations app used to create collection of artifacts
- Connections about signs created as forms of communication discovered

<p><b><i>Materials:</i></b></p> <ul style="list-style-type: none"> <li>● Tablet</li> <li>● Educreations App</li> </ul>	<p><b><i>Vocabulary:</i></b></p> <ul style="list-style-type: none"> <li>● Suggest using the same vocabulary from original activity</li> <li>● How we use technology to aid in creating signs (design)</li> </ul>
--	--

***Preparation:***

Educreations App prepared

***Procedure:***

Make signs using white paper background.

Children self-select colors used

Guides/suggestions provided in original activity can be used

<p><b><i>Documentation Extension:</i></b></p>
---

Collect samples of the children's work in Educreation. Use the voice recorder if desired for further documentation; use the Educreation documentation to launch a discussion during Thinking and Feedback.
