

FIVE JUICY APPLES

Five juicy apples, sitting in the store
_____ ate one. That leaves four.

Four juicy apples, pretty as can be;
_____ ate one. That leaves three.

Three juicy apples. Yummy, through and
through;
_____ ate one. That leaves two.

Two juicy apples. What a handsome pair;
_____ ate one. Now one is sitting there.

One juicy apple, sitting all alone;
_____ ate one. That leaves none.

“Grocer, grocer please order more.
We like to buy apples when we visit your
store.”
