

Unit 2 Weeks 1-4	Researching Recipes, Cookbooks, and Menus High Level Technology Supplement	ISTE-S Standards: 1,2,3,6	Standards: Refer to standards in weeks 1-4
---	---	--	---

[book covers that represents the book(s) the lesson touches upon]

Technology Concepts

- Students learn that technology can be used to connect with others
- Students learn about ownership and sharing of information, including how to respect the work of others
- Students learn to organize information and make connections to their learning
- Students use a digital tool to create an original work
- Technology is used to share ideas with different people

Materials: <ul style="list-style-type: none"> ● Smart phone, and tablet, or laptop ● PowerPoint, Google Slides, or an app for ebook creation such as Book Creator 	Vocabulary: <ul style="list-style-type: none"> ● Use vocabulary found in original lessons ● Narration ● Digital book
--	--

Preparation:

Have digital device ready to take pictures
Tablet or laptop for research using internet
Tablet or laptop to create e-book

Procedure:

Week One: Document what children write about in *The Little Red Hen Makes a Pizza* using digital photography

Week Two: Ask families to share recipes digitally so that they can easily be added to an ebook. Use the internet to research recipes and cookbooks.

Week Three: Create ebook cookbooks (with pictures) created by children using an app such as BookCreator or simply make an ebook using PowerPoint or Google Slides

Week Four: Document children creating a menu through digital photography. Place menus in the class ebook.
