[book covers that represents the book(s) the lesson touches upon]

Technology Concepts

- A design process is used to create an innovative artifact and solve authentic problems
- Educreations allows for the planning and managing of a design process
- A process of developing, testing, and refining is part of the design process
- Perseverance with use of technology present

<p><i>Materials:</i></p> <ul style="list-style-type: none"> ● Educreations App ● Tablet ● Area to place tablet in block area ● Materials suggested for original activity 	<p><i>Vocabulary:</i></p> <ul style="list-style-type: none"> ● Use Vocabulary from original activity ● Design ● Develop and test ● Rebuild
---	---

Preparation:

Teachers have explored and are comfortable using the Educreations App
Preload Educreations App

Procedure:

- Build block playgrounds and children
- Children will re-create towers in Educreations with teacher help
- It is suggested that the Educreation graph paper background is selected for this activity
- Save Draft and have the child speak into the microphone to explain playground
- Save finished videos
