ELA.RF.PC.PS.1.d

Materials:

- 3 sets of laminated upper and lower case cards
- masking tape

Vocabulary:

- uppercase
- lowercase
- memory
- same
- match

Preparation: Make multiple sets of upper and lower case cards and laminate them. Put masking tape down the middle of the table to designate the two groups of cards for children to choose from or use the tape to make a grid for each letter as a guide.

Procedure:

Pair children to play a memory game with upper and lowercase letters. and distribute one set of cards to each pair. Show materials. Model setting cards face down on the table, divided by masking tape. Model turning over two cards, removing them if they match, turning them back over if they do not.

Encourage children to name the letters and their letter sounds.
