

Who is awake at night?

I have two big round eyes.

I have feathers.

I live in the woods.

I go Whooo!

Who am I?

I have prickles.

I roll into a ball when I'm scared.

I like to hide in the leaves.

Who am I?

I am small.

I have wings.

I have big ears.

I like to live in caves.

Who am I?

I have a bushy tail.
I have pointed ears.
I can run fast.
I am very clever.
Who am I?

I am black and white
I live under the ground.
I sniff out food.
I live with my family.
Who am I?

The End
