### Let's Find Out About It:

"Here are images of some windows. What do you notice?"

"These windows are made of pieces of colorful glass. The pieces are called **stained glass**, but the color in **stained glass** is **permanent**, not **washable**, like the **stains** on Max's dragon shirt."

"The glass is **translucent**--you can see light shining through the window. What do you notice?"

"**Stained glass** windows depict an image or design."
