- Head Start (1)
 - Private Childcare Center (2)
 - Private Family Childcare (3)
 - No Partnership existed (4)
 - Other (5) _____
-

Q6 Did the SAU provide transportation for Pre K students?

- Yes, but only in one direction, (arrival OR departure) (1)
- Yes, in both directions, (arrival AND departure) (2)
- No, we relied solely on personal transportation (3)

End of Block: General Information

Start of Block: Program Operation

Q7 Indicate how many hours a day the Pre K program operated

- One FULL day session (5 or more hours a day) (1)
 - One HALF day session (fewer than 5 hours a day) (2)
 - Two Half day sessions (one morning and one afternoon) (3)
 - Other (4) _____
-

Q8 Indicate how many days per week a Pre K student attended

- 2 days a week (1)
 - 3 days a week (2)
 - 4 days a week (3)
 - 5 days a week (4)
-

Q9 Do you intend to expand your Pre K program in the 2023-2024 school year?

- No, we plan on maintaining our current Pre K program structure for the foreseeable future (1)
 - No, but we might consider expansion in 2024-2025 (4)
 - Yes, we plan to expand in 2023-2024 and have completed the Pre K Expansion application (Includes RFA grantees) (2)
 - Yes, we plan to expand in 2023-2024 but still need to complete the expansion application (3)
-

Q10 Did your public Pre-K program enroll students universally? (Universal enrollment is similar to that of the K-12 population. It means that you have the space and staffing capacity necessary to enroll all interested and eligible 4 year olds in your community. Pre-K enrollment numbers are likely similar to that of your kindergarten and 1st grade enrollment numbers).

- Yes, all interested and eligible 4 year olds were enrolled in our program. We did NOT maintain a waitlist. (1)
- No, we do not have the means (space, staff, etc.) to enroll all interested and eligible 4 year olds at this time. We may or may not have maintained a waitlist. (2)
- Other (3) _____
