

**American Rescue Plan (ARP) Elementary and Secondary School Emergency Relief (ESSER) Fund**

The American Rescue Plan (ARP) Elementary and Secondary School Emergency Relief (ESSER) Fund, authorized under the ARP Act of 2021, provides over \$411 million to Maine to support schools in safely reopening and sustaining safe operations while meeting the academic, social, emotional, and mental health needs of students resulting from the coronavirus disease 2019 ("COVID-19") pandemic. It is particularly important that ARP ESSER funding will enable school administrative units ("SAUs"), and more directly schools, to support students who have been most severely impacted by the COVID-19 pandemic and are likely to have suffered the most because of longstanding inequities in our communities and schools that have been exacerbated by the COVID-19 pandemic.

The Maine Department of Education (DOE) is required to make allocations to SAUs in an expedited and timely manner. Section 2001(c) of the ARP requires the DOE to determine ARP ESSER Fund allocations based on the proportion that each State received under Title I, Part A of the Elementary and Secondary Education Act (ESEA) in the most recent fiscal year. Therefore, to determine the ARP ESSER Fund allocations, the Department used the fiscal year 2020 State shares of Title I, Part A allocations without the application of the hold harmless provisions in ESEA section 1122.

In order to make a significant portion of ARP ESSER funds available as quickly as possible, the Maine DOE is issuing through a Grant Award Notification (GAN) an award equal to two-thirds of the SAU's ARP ESSER allocation, which is listed below as the sub-award amount. The cumulative federal award amount is the SAU's total ARP ESSER allocation, which includes the sub-award amount.
