Questions

How do we report a Maine Through Year question that seemed to have incorrect response options?

To report a problem item in the Maine Through Year Assessment, email the following information to NWEA

Maine Partner Support at techsupport@nwea.org:

1. In the email Subject field, enter "Maine Through Year Problem Item"
2. In the body of the email, include the following information:
 - a. Student's State ID number.
 - b. Grade and subject.
 - c. Session ID: Found on the student's test ticket within Manage Online Testing.
 - d. Item Sequence or Question Number: Found on the student's assessment screen.

Please do not take any photos or videos of the assessment question to maintain assessment security.

Questions

Is there a student survey for students in the science assessment?

No, there is no longer a student survey for the Maine Science Assessment.

I know that the Department has made a concerted effort based on SAU's requests to get the results earlier. Are there continued discussions about potentially getting those results earlier than we have in the past so that they become useful for teachers to use in the subsequent grade level?

The spring 2026 Maine Science Assessment reports are anticipated to be available in late August. The exact date will be provided next month.
