

State Average Instructional Area RIT Scores

The following data are from the Spring 2026 administration of the Maine Through Year Assessment and demonstrate the state-level trends in instructional areas of strength and need.

Math

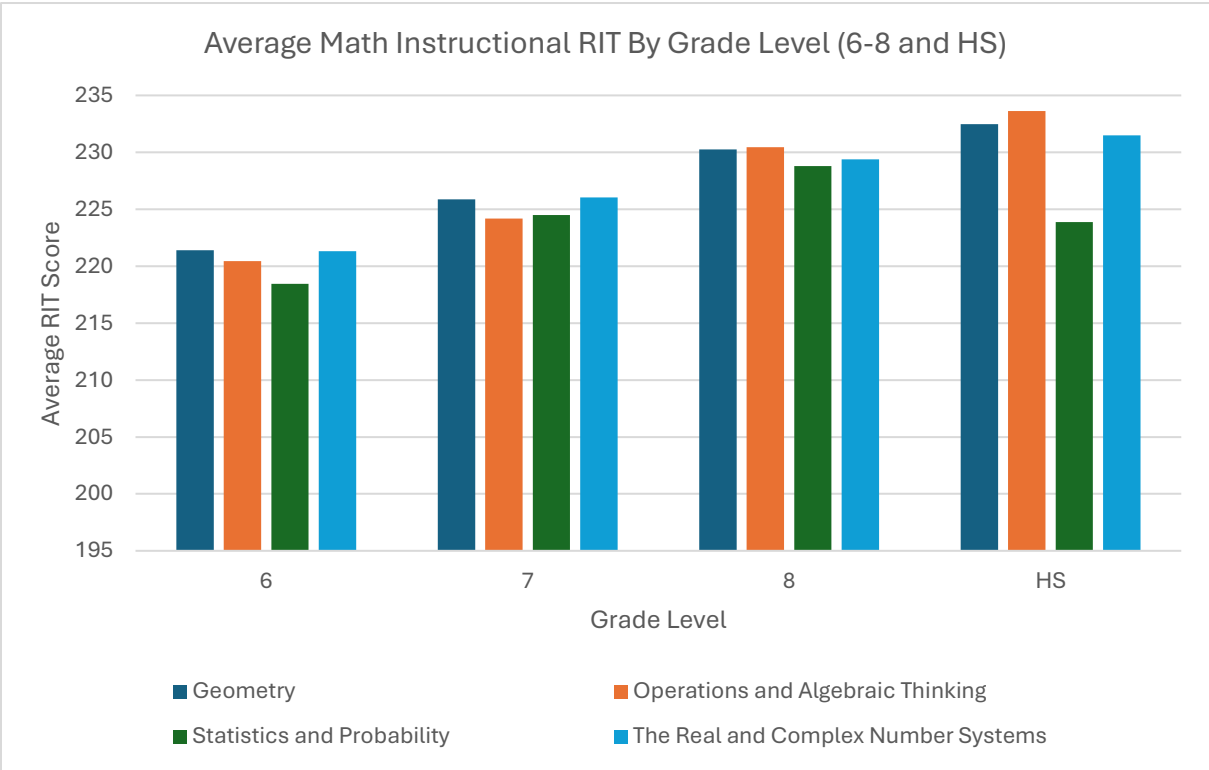

Grades 3-5

Grade	Geometry	Operations and Algebraic Thinking	Measurement and Data	Number and Operations
3	200.28	201.44	201.71	202.64
4	208.23	208.74	209.18	210.56
5	215.31	213.29	218.07	216.47

Grades 6-8 and High School

Grade	Geometry	Operations and Algebraic Thinking	Statistics and Probability	The Real and Complex Number Systems
6	221.41	220.44	218.46	221.32
7	225.86	224.18	224.50	226.04
8	230.26	230.45	228.80	229.37
HS	232.48	233.64	223.87	231.50

Reading

Grade	Informational Text	Literary Text	Vocabulary
3	197.84	199.52	198.78
4	204.61	205.07	205.63
5	208.97	209.31	210.52
6	213.61	213.59	214.86
7	216.43	217.42	218.00
8	219.31	219.16	220.97
HS	222.78	222.72	223.99
