

The Maine Department of Education (Maine DOE) Assessment Team has an established process for approving student use of unique accommodations on statewide assessments. In the rare event that a student with a disability, including any student identified as a multilingual learner (ML), requires an accommodation on a statewide assessment that is not included on the standard accommodation list; the item is deemed a unique accommodation. As with any standard accommodation, a unique accommodation may not change the construct being measured by the assessment.

Did Maine DOE approve the use of this unique accommodation during the previous school year?

☐ Yes

☐ No

☐ Not applicable

In submitting this form to Maine DOE for approval, the Special Education Director and District Assessment Coordinator are certifying:

☐ The student's instructional team has met and considered all standard accommodations before proposing this unique accommodation. This team includes but is not limited to service providers, general education teacher, special education teacher, and ML teacher

☐ The proposed accommodation is used by the student regularly to access instruction, as appropriate

☐ If approved, this accommodation will be documented in the student's IEP, Section 504 plan, and ILAP plan

☐ In the case of an IEP, the unique accommodation will be listed as "Unique/Non-standard" on the IEP. This should be listed as an accommodation under both instruction and assessment.

☐ In the case of an IEP, the parent/guardian of the student will sign the finalized IEP (or IEP amendment form) prior to testing and is aware of this request

If approved, the accommodation must be listed in the Individualized Education Program (IEP) or 504 plan for a student with a disability and in the ILAP for multilingual learners who are dually identified.
