Summer continues ...

Summer weather will continue for several more weeks and the OFERP team hopes you continue to enjoy this season even as you prepare for the reopening of school. Among us, the OFERP team members enjoyed golf, fishing, visited water parks, kept cool in a new back yard pool, celebrated a daughter’s wedding, transported offspring to camps and summer programs, and visited family on the other side of the globe this summer. We can’t wait to hear what you did!

Friendly Reminders

- **Stakeholder engagement reminder**: When APR applications are reopened and projects are revised, our team will review the information to ensure they are aligned with stakeholder meaningful consultation and district priorities; reasonable, necessary, and allocable; prepare for, respond to, and/or prevent COVID 19; and meet the requirements of the ARP Status and IFR. The Use of Funds plan must be publicly accessible on a SAU’s website, be the most up-to-date plan, and align to the GEM’s application.

- **MOEquity Technical Assistance**: The Office of Federal Emergency Relief Funds will be hosting a technical assistance session via Zoom on September 8 at 9:00am for SAUs that have MoEquity questions or need assistance using the MoEquity worksheet ([click here](#)). [Click here](#) to register for the technical assistance session.
