

Pilot Name: Local Remote Learning Alternative Education Program Expansion, Nu

School/District Name: Brewer School Department

Contact: Renita Ward-Downer

Overview:

- Building on the District’s initial RREV grant, the local remote learning program, titled Nu, is being expanded to include additional grade levels – serving all of middle and high school – and the program will be adding a school-to-work strand for students. There will be an added full time teacher and an educational technician to accommodate the expected doubling of student enrollment plus the added programming. The focus of Nu will remain a local, remote learning approach with in-person experiences blended into students’ schedules.
