Please completely describe the basis for the SAU's one-year waiver request and further describe how the SAU is meeting the needs of the gifted and talented population in your district (Use as much space as necessary):

Due to Brooklin's continued low enrollment (Pre-K to 8 enrollment of 69) it is not feasible to hire additional personnel and associated start-up costs of creating a new program at this time. Fortunately our lower enrollment numbers and low student to teacher ratios enable us to provide enrichment opportunities for all of our students.
