

# Get Your COVID-19 Booster Shot

## What is a COVID-19 Booster Shot?

A COVID-19 booster shot is an additional dose of the vaccine that boosts your immune system and gives you additional protection against COVID-19.

## Where can I get the Booster Shot?

The Community Vaccination Line helps Maine people quickly find a COVID-19 vaccine near you.

Call: 1-888-445-4111

Monday-Friday, 9 a.m. to 5:30 p.m.

For translation services, call the number and state your desired language.

## Is transportation available?

YES, if transportation is needed call, text, or email MANA:

207-387-0749 | [car@mana-maine.org](mailto:car@mana-maine.org)

OR call 1-855-608-5172 (ModivCare)

## Can I get the COVID-19 Booster Shot and Flu Shot at the same time?

YES, both flu and COVID-19 vaccines can be administered at the same visit.

## When can I get my Booster Shot?

For individuals who received a Pfizer-BioNTech or Moderna COVID-19 vaccine, the following groups are eligible for a booster shot at 6 months or more after their initial series:

- 65 years and older
- Age 18+ who live in long-term care settings
- Age 18+ who have medical conditions
- Age 18+ who work or live in high-risk settings

Booster shots are recommended for everyone 18 and older at least 2 months after receiving their J&J/Janssen COVID-19 Vaccine.

## Can I mix & match vaccines?

YES. Some people may have a preference for the vaccine type that they originally received and others, may prefer to get a different booster. CDC's recommendations now allow for this type of mix and match dosing for booster shot.

## Is the Booster Shot free? Do I need health insurance?

YES, COVID-19 Booster Shots are free.

NO, health insurance is not needed.

You will NOT be asked your immigration status.
