| PI:      | 5S2 Program Quality – Attained Postsecondary Credits                                                                                                                                                                                          |
| Perkins: | Number of CTE concentrators who graduated from high school having attained postsecondary credits in the relevant career and technical education program through a dual or concurrent enrollment program or another credit transfer agreement. |
| Formula: | $\frac{[\text{\# of CTE graduated concentrators who have dual or concurrent postsecondary credits in Maine DOE's Student Information System (SIS)}]}{[\text{\# of CTE graduated concentrators}]}$                                             |
| Example: | $50/100 = 0.50 = 50\%$                                                                                                                                                                                                                        |
