Full Program Waiver Request

Please completely describe the basis for the SAU's one-year waiver request and further describe how the SAU is meeting the needs of the gifted and talented population in your district (Use as much space as necessary):

As a K-5 island school of less than 30 students, and having only two full time teachers (one for grades K-2 and one for grades 3-5), having to hire a gifted and talented teacher would put an undue financial hardship on the budget. Also, we are very able to individualize for our student learners, and we are doing a very good job at meeting the academic needs of our children who are working beyond their academic grade levels.
