Commendations

- * Sam has done a wonderful job this year while facing difficult challenges. This year her school switched accountability software mid-year which made for some very challenging benefit issuance tracking. Sam, however, has done a great job documenting all changes and was able to show that student eligibility was correct in the accountability system.

Meal service ran very smoothly and it was a nice atmosphere for the students. I look forward to working with Sam and her staff in the future.

An exit meeting was held with Samantha Wedgewood at the end of the on-site visit on April 1, 2025.
