**3. Eligible service providers participating in waiver and affirmation that they are in good standing:** Maine DOE is requesting waivers on behalf of all National School Lunch Program (NSLP) school food authorities (SFA's) determined to be in good standing in the State of Maine operating in the School Year 2025-2026

**4. Description of the challenge the State agency is seeking to solve, the goal of the waiver to improve services under the Program, and the expected outcomes if the waiver is granted. [Section 12(l)(2)(A)(iii) and 12(l)(2)(A)(iv) of the NSLA]:**

The National School Lunch Act and National School Lunch Program regulations require schools to operate a congregate lunch service between the hours of 10:00 am and 2:00 pm, and breakfast to be served at the beginning of the school day.

In the State Maine, there is a moderate population of students that observe Ramadan. During Ramadan, students fast or refrain from eating during typical daylight hours, including the time that school breakfast and/or lunch is served.

SFAs that serve meals to students that observe Ramadan experience a significant drop in meal service participation and would benefit from having alternative meal service options.

This waiver would allow SFAs to offer meal service options where meals can be taken off site and consumed after the typical daylight hours. This waiver would provide students that observe Ramadan access to healthy and wholesome meals throughout the school year.

**5. Specific Program requirements to be waived (include statutory and regulatory citations). [Section 12(l)(2)(A)(i) of the NSLA]:**

- Non-Congregate Meal Service (NSLP and SBP)  
Under the NSLA, 42 U.S.C. 1753(b)(1)(A), and the Child Nutrition Act, 42 U.S.C. 1773(b)(a)(A), NSLP and SBP meals must be served in a congregate setting and must be consumed by participants on site.
- Meal Service Times (NSLP and SBP)  
Under program regulations at 7 CFR 210.10(1) and 7 CFR 220.8(1), meals served in the NSLP and SBP must follow meal service times.
- Over Versus Serve (NSLP)  
Under the NSLA, 42 U.S.C. 1758(a)(3), and program regulations at 7 CFR 210.10(e), program operators of senior high schools (as defined by the State education agency) must participate in offer versus serve at lunch.

**6. Detailed description of alternative procedures and anticipated impact on Program operations, including technology, State systems, and monitoring:**

There are no expected impacts on technology, State systems, or monitoring.

**7. Description of any steps the State has taken to address regulatory barriers at the State level. [Section 12(l)(2)(A)(ii) of the NSLA]:**

There are no regulatory barriers at the State level to provide the requested waiver.

**8. Anticipated challenges State or eligible service providers may face with the waiver implementation:**

There are no potential challenges.

**9. Description of how the waiver will not increase the overall cost of the Program to the Federal Government. If there are anticipated increases, confirm that the costs will be paid from non-Federal funds. [Section 12(l)(1)(A)(iii) of the NSLA]:**

The waiver will not increase the overall cost of the Program to the Federal Government.

**10. Anticipated waiver implementation date and time period:**

This waiver will only be used to provide non-congregate meals during the observance of Ramadan. Ramadan is based on the Islamic Calendar, which follows a lunar cycle, so the exact dates of Ramadan observance can vary, based on location and moon sightings. To ensure the waiver encompasses Ramadan observance in the State of Maine, Maine DOE requests the waiver for the time period of February 17, 2026 – March 18, 2026.

**11. Proposed monitoring and review procedures:**

Current NSLP and School Breakfast Program monitoring of SFA consistent with 7 CFR210.18 requirements.
