

## **Civil Rights addressing ADA Policy**

**Purpose:** To provide a consistent plan to ensure compliance with Civil Rights disability ADA requirements per FNS -113 Section IX.

**Policy:**

The Americans with Disabilities Act (ADA) will be addressed at the local level by School Board. This will be shared yearly with local food service staff. The Department will be review school construction and renovation projects funded with state funds. During Child Nutrition trainings ADA guidance will be included for Food Service.
