

EMDI Screening Questions: Foundational Pre-Kindergarten (PK-F)

Green = grade level prompts

1 PK-F. Count a Collection	Materials: a collection of 3 counters
<p>A. Place three counters in a line and say, "Count these counters." B. When finished, ask, "How many counters are there?"</p>	
2 PK-F. Forward Number Sequence	Materials: None needed
<p>A. "Start counting at 1. I will tell you when to stop." (Stop the student at 10) B. "When you count, what number comes right after 1?" C. "When you count, what number comes right after 4?"</p>	
3 PK-F Subitizing	Materials: dot cards in order 3, 1
<p>"I am going to show you some cards with dots on them very quickly." Present one card at a time for 2 seconds and say, "How many dots do you see?"</p>	
4 PK-F Number Identification	Materials: number cards in this order: 3, 5, 4, 2, 1
<p>Present one card at a time in the order shown and ask, "What number is this?"</p>	
5 PK-F One-to-One Correspondences	Materials: Screen card with 5 circles, a collection of 8 counters
<p>Place the card with five circles in front of the student and the 8 counters to the side of the paper. A. Say, "Put one counter in each circle." B. Ask, "Do you have any counters left over?"</p>
