The report is segmented into 4 columns, 1 for each type of assessment: Science, Math, ELA, & ACCESS for ELLs. The rows indicate the total counts of students identified in Synergy for that demographic group.

Important things to note:

- The Report only tracks students enrolled with the SAU on May 27th. If they exit the district prior to this date, they will not be on the report.
- The total demographic counts on the certification page only include your District Full Academic Year students. Full Academic Year means that they were enrolled with your district continuously from October 1st to May 27th.
- Only the Superintendent will be able to click the 'Certify and Submit to DOE' button.

Detail Report Instructions:

Using the ESEA Demographic Detail Report link on the Student Report dashboard will load the individual student-level data for your district:
