Competition Objectives

As a leadership training and self-improvement activity, the Discussion Meet experience will:

- Stimulate logical thinking and a desire for accurate information;
- Promote a concise and direct manner of speaking;
- Improve the ability to listen;
- Aid the participant in overcoming timidity or stage fright;
- Assist the individual in the practice of giving and receiving criticism in a helpful manner;
- Teach the value of compromise; and
- Develop leaders for effective problem solving through group discussion.

Background Information

The Discussion Meet is a competition promoted by the American Farm Bureau Federation (AFBF) Young Farmers & Ranchers (YR&R) Committee.

Farm Bureau's strength depends on its members' ability to analyze agricultural issues and decide on solutions that best meet their needs. The competition is designed to simulate a committee meeting where discussion and active participation are expected from each committee member.

Applicants build basic discussion skills, develop a keen understanding of important agricultural issues and explore how groups can pool knowledge to reach consensus and solve problems.

A successful applicant is a productive thinker rather than an emotional persuader. He/she will assist the group in creating ways to implement the solutions discussed and highlight Farm Bureau's involvement in those actions/steps.

The applicants will discuss pre-selected topics using four bases for the general discussion:

- Cooperation
- Constructive Criticism
- Problem Solving
- Communication

It is recommended that state Farm Bureaus provide, as part of the state recognition award, an expenses-paid trip to the AFBF Annual Convention held in 2015 in San Diego, California. Appropriate recognition will be given to all the national competitors in attendance at the AFBF Annual Convention.

The AFBF YF&R Committee and the AFBF Organization Department will coordinate the program at the national level.

Eligibility

- Applicant shall be a Farm Bureau member between the ages of 18 and 35 in good standing with his/her county Farm Bureau. The individual shall have reached his/her 18th birthday at the time he/she qualifies for the national competition and shall not have reached his/her 36th birthday by Jan. 31, 2015.
- Applicant must be actively engaged in agriculture.
- Applicant may only compete in one national YF&R Competition per year.
- Past and present members of the AFBF Young Farmers & Ranchers Committee and/or their spouse/spousal-equivalents are not eligible to compete.
- Past state YF&R Discussion Meet winners and/or previous AFBF Discussion Meet competitors are not eligible to compete.
- Current employees of county, state and/or American Farm Bureaus and their affiliates are not eligible to compete.
- Professional speakers are not eligible to compete. Professional speakers are those who have received a fee, royalty or honorarium for speaking (i.e., paid speaking appearances or speaking engagements) within 24 months prior to this annual competition. This excludes reimbursement for travel or expenses attendant to the appearance.
- Each state may submit one entry to be considered for national recognition and must use the AFBF entry form and application.

Helpful Hints for Competitors

- Study as much material as possible relating to the overall topic. Sources: Internet; library; newspapers; magazines; Farm Bureau policies; county, state and American Farm Bureau publications; and conversations with experts or knowledgeable people.
- Remember this is a discussion, not a debate.
- Be prepared to ask questions, state facts and opinions, and urge others to be specific.
- Be aware of the audience, but generally address the panel. Speak loudly enough to be heard by the whole audience.
- Participate whenever your contribution will further the discussion. Do not monopolize the discussion.
- The discussion should not be “conversation” or aimless talk, nor should you take the role of a persuasive speaker. Try to cooperatively shed light on the problem and tentatively retain a flexible position.
- This is not a panel symposium wherein each participant, in turn, makes a presentation, with the moderator ending the session with a summary. Rather, it is an exercise in cooperative problem solving, with the questions, answers and statements coming from any person at any time. The moderator plays an inactive role during the discussion.
- Make notes of key points as the discussion proceeds for use in your summary statement.
- Use the one minute of quiet time to organize your closing statement.
- Stand and make your closing statement to the audience. Use accepted speech techniques and stay within the time limit.

Competition Format

1. All competition facilitators and competitors will meet in the pre-assigned competition room 15 minutes prior to the start of the competition to receive last minute comments by the room chair. The competition facilitators are AFBF-designated room chairs and moderators.
2. Competitors may not take prepared notes in any form with them to the competition table. After all competitors have been introduced, notes may be written on the paper provided. If a note is brought to the table and is noticed by the competition facilitator, there will be a disqualification called at the end of the round by the Discussion Meet chair, the AFBF YF&R Committee chair and/or the AFBF coordinator.
3. Discussion Meet questions will not be provided at the competition table during national level rounds of competition.
4. The room chair will call the meeting to order, announce the topic to be discussed and introduce the timekeeper and moderator. Any competitor not present at this time will be disqualified.
5. The moderator will introduce the competitors and re-announce the topic to be discussed. He/she will give each of the competitors, in voluntary order, the opportunity to make a 30-second opening statement directed to the audience.
6. The timekeeper will flash a red time card indicating when 30 seconds have elapsed. Judges may subtract points at their discretion for competitors who abuse the time limit.
7. The moderator will then indicate the opportunity for open discussion, which will continue for a total of 25 minutes during the Round Robins and Sweet Sixteen round and 30 minutes during the Final Four round. The discussion should be directed to the fellow competitors.
8. The timekeeper will indicate to the moderator when five minutes of open discussion time remains. If the discussion is lagging, the moderator may close the discussion at this time.
9. The timekeeper will indicate to the moderator when 25 minutes in the Round Robin and Sweet Sixteen rounds and 30 minutes in the Final Four round have elapsed with a red time card. The moderator will call for open discussion to stop and for one minute of quiet time, allowing the competitors to compose a closing statement.
10. The moderator will give each of the competitors, in voluntary order, the opportunity to make a one-minute closing statement directed to the audience.
11. The moderator will recognize the judges and request them to leave the room with the room chair to finalize the tabulation of their score sheets. Judges are not to confer with each other until the room chair has collected their tabulated score sheets.
12. The next round topic to be discussed will be announced (with the exception of the Final Four question). The Final Four question will be announced at the official Final Four Announcement.
13. The moderator will thank the panel and ask the audience to recognize their efforts. He/she will then ask the competitors to share their personal agricultural background with the audience.

Scoring

The room chair will supervise the final tabulation by the judges. Judges will use the point system indicated on the Rating Sheet to assist in selecting the winners. Each judge will be instructed to total his/her Rating Sheet and rank the competitors. Each judge is to break ties that occur on his/her own score sheet. The room chair will assist the judges in determining the final ranking of each round and the final competition.

- The winner will be determined by judges' ranking, and ties will be resolved before the judges are dismissed.
 - Ties will be broken at the end of each round by an automatic procedure using Cooperative Attitude as the first tiebreaker, followed by Problem Solving and Delivery, respectfully. (see **Appendix A**)
 - In the event of an unresolvable tie between all three categories, total points from the judges' Rating Sheets will be used to resolve the tie. The room chair will assist with this process.
- When possible, the above procedure should be conducted in a private room, with only the judges, room chair and Discussion Meet chair present.

Round Robins

Sample rankings for the two Round Robins follow. (see **Appendix A & B**)

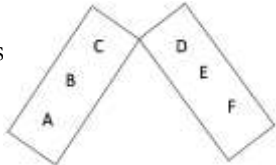

Sweet Sixteen

- After competing in two Round Robins, each competitor will be ranked according to his/her combined scores. From this final determination, the Sweet Sixteen competitors will be chosen.
- The top 16 competitors will then be broken down into four rooms of four competitors. This will be done using the following bracketing process:

Room 1	Room 2	Room 3	Room 4
1	2	3	4
8	7	6	5
9	10	11	12
16	15	14	13

- After the bracketing process is complete, the scores from the previous Round Robins will be discarded and the competitors will compete in the Sweet Sixteen round using a third topic. Competitors will be judged in the same manner, using the same process as the Round Robins.
- The winner from each room will advance to the Final Four where a fourth and final topic will be discussed.
