

Elementary and Secondary Education Act
Title III, Part A
Preliminary Equitable Service Percentages for Fiscal Year 2027

The equitable service percentage listed below is only applicable if the public LEA participates in Title III, Part A and the non-public school, after consultation, indicates on the ESEA Non-Public Participation Form that it plans to participate in the Title III, Part A.

Equitable services for Title III, Part A involves a per-pupil formula based on the number of identified Multilingual Learners (MLs) in both the public and participating non-public school. Some non-public schools did not provide the Maine DOE with ML enrollment data and may not be eligible for equitable services under the Title III, Part A in the 2026-2027 school year.
