

**Title I, Part A: Improving Basic Programs  
Fiscal Year (FY) 27 Preliminary Allocations**

These preliminary allocations are subject to change as additional data becomes available. For example, the new charter school, Moxie, requires data that is not yet available to generate a preliminary allocation. With this said, school administrative units (SAUs) may see adjustments reflected in the final allocations. Please note, the Maine Department of Education placed private school students at the school that had the most students in the grade from the specific town to calculate Title I, Part A proportional shares.
