

Early Childhood Special Education

Transportation

Step 1: If an SAU has a need for transporting 3-5 ECSE children or itinerant staff only, the SAU will be required to review current resources in the district or outside of the district and complete preapproval process.

Step 2: A team at DOE will review the application and approve, request more information or deny.

Step 3: If an SAU has been approved for purchasing/ leasing a van to serve 3-5 ECSE children, they will follow the normal process for purchasing a van. Contact Cheryl Brackett at Maine DOE for more information: cheryl.brackett@maine.gov

Step 4: All allowable costs can be billed to 2213
