

Art and Building Studio

What are the parts of our community?

What do I want people to know about it?

Drama Studio

What is happening in this scene?

How can I show my audience?

Library Studio

What do I think about this book?

What do I want to tell others about it?

Math Studio

How does your equation match your story?

How could you use this same picture to make a story/equation using the opposite operation?

What feedback can you offer your friend about their story?

Science and Engineering Studio

What do I know about clouds?

How can I represent them?

Writing and Drawing Studio

What is important to communicate in this book?

Who might read this book?
