

## Unit 1: How We Learn in Our School Communities

### WEEK 7 Day 5

#### Vocabulary & Language

##### Making and Using New Words

<b>Weekly Question</b>	How can I contribute to my school community?
<b>Language Objective</b>	I can work with my classmates to make new words by identifying root words and changing or adding parts. I can use the words we make in a sentence. (SL.1.2, L.4.2.c)
<b>Vocabulary</b>	<b>deserve:</b> to be in a position to receive something <b>progress:</b> forward movement, development toward something better <b>raise:</b> to lift up; to increase the amount of something
<b>Materials and Preparation</b>	<ul style="list-style-type: none"><li>• Week 7 Making and Using New Words sheets, one for each small group</li></ul> <p>If the class is not on pace with <i>Foundations</i> lessons, it may not be appropriate to add all of the suggested suffixes to this sheet. Edit accordingly.</p> <p>Strategically assign children to groups of four. Determine whether any groups will benefit from continuing to have words pre-selected, and do so as needed.</p> <ul style="list-style-type: none"><li>• pencils, one or two for each small group</li><li>• Week 7 Weekly Words cards, those listed above</li><li>• chart paper and markers (2 different colors)</li></ul>
<b>Opening</b>	<p><i>This week we go back to the Making and Using New Words routine. Look! This week you have more suffixes to work with!</i></p> <p>Point out the new suffixes, and briefly model using one or more of them with one of the words.</p> <p><i>Today, after you work in small groups, we'll save a few minutes to share one of your sentences with the whole class.</i></p>
<b>Key Activity</b>	Distribute sheets and send children to work. Circulate to help children strategize through the routine, encourage equitable participation, observe interpersonal dynamics, and glean understanding about children's knowledge about how words are formed.

	<p>While children work, select one group to present their response to the class. Have the group identify one or two members who will present the words they made and read their sentence aloud.</p> <hr/> <p>After about 7 minutes, signal for children to finish their answers and return to the whole group.</p> <p>Invite the presenter(s) from the selected group to share the word they started with, new words they made, and then the sentence they wrote.  <i>Please read your sentence slowly so I can write it down.</i>  Write the sentence on the chart paper.</p> <p><i>Let's see which Weekly Word they used and changed! I'll read the sentence again, and you can let me know when you hear the word that came from one of our Weekly Words.</i>  Read the sentence aloud, slowly, and pause as children identify the Weekly Words. Circle that word with the contrasting marker.  <i>Let's think together about how this word changed and how that changed its meaning.</i></p> <p>Invite children from other groups to share any ways that this group's work resembles their own.</p>
<b>Closing</b>	<p>Spend a minute reflecting together on this activity: What is fun about it? What is challenging? What did children discover?</p> <p><i>Next week we go back to Answering a Weekly Question.</i></p>
<b>Standards</b>	<p><b>SL.1.2</b> Participate in collaborative conversations with diverse partners about grade 2 topics and texts with peers and adults in small and larger groups.</p> <p><b>L.4.2.c</b> Use a known root word as a clue to the meaning of an unknown word with the same root (e.g., addition, additional).</p>
<b>Ongoing assessment</b>	<p>Listen to children's conversations as they work.  What knowledge do children demonstrate about parts of words?  What contributions do they make to the construction of a response to a specific question?</p> <p>Observe children's interactions.  How effectively do children work in their groups?  What roles do they take on?</p> <p>Reflect on the whole group sharing of one group's response.</p>

	<p>What more was revealed about children’s understanding of how words’ meanings change according to their parts?</p> <p>Review each sheet. Use children’s answers to inform planning for successive lessons, revisiting words and suffixes, and informal conversations with individual children.</p> <p>Reflect on the routine.</p> <p>What worked well?</p> <p>What will need to be reinforced in the Week 5 lesson to make it run more smoothly?</p>
