Week 8	<i>Words selected from previous weeks and used in Days 1-4</i>
Materials and Preparation	<ul style="list-style-type: none"> • Week 8 Answering the Weekly Question sheets Add 8 words selected for review this week. Copy one sheet for each small group. • pencils, one or two for each small group • Weekly Questions for Weeks 7 and 8, printed or projected • Weekly Words cards for Week 7 and those selected for review in Week 8 • chart paper and markers (2 different colors) <p>Strategically assign children to groups of four.</p>
Opening	<p><i>This week we go back to the Answer a Weekly Question routine. Today, after you work in small groups, we'll save a few minutes to share one of your sentences with the whole class.</i></p>

Key Activity	<p>Distribute sheets and send children to work. Circulate to help children strategize through the routine, encourage equitable participation, observe interpersonal dynamics, and glean understanding about children’s word use.</p> <p>While children work, select one group to present their response to the class. Have the group identify one or two members who will read the response aloud.</p> <hr/> <p>After about 7 minutes, signal for children to finish their answers and return to the whole group.</p> <p>Invite the reader(s) from the selected group to present their response by first reading the Weekly Question they chose and then their response. <i>Please read your response slowly so I can write it down.</i> Write the response on the chart paper.</p> <p><i>Let’s see which Weekly Words they used! I’ll read it again, and you can let me know when you hear a Weekly Word.</i></p> <p>Read the response aloud, slowly, and pause as children identify Weekly Words. Circle those words with the contrasting marker. Invite children from other groups to signal if they also used any of the same words. Highlight the meaning of the word as different groups used it, noting its similarities and/or differences in context and usage.</p>
Closing	<p>Spend a minute reflecting together on this activity: What is fun about it? What is challenging? How do children decide which words to use?</p> <p><i>Even though we’ll be starting a new unit of study next week, we’ll continue with our small group vocabulary routines—Making and Using New Words, and Answering a Weekly Question. These activities help us think about how to use the words we are learning.</i></p>
Standards	<p>SL.1.2 Participate in collaborative conversations with diverse partners about grade 2 topics and texts with peers and adults in small and larger groups.</p> <p>L.6.2.a Use words and phrases acquired through conversations, reading, and being read to, and responding to texts, including using adjectives and adverbs to describe (e.g., When other kids are happy, that makes me happy).</p>
Ongoing assessment	<p>Listen to children’s conversations as they work.</p> <p>How accurately do children use words in context?</p> <p>What contributions do they make to the construction of a response to a specific question?</p>

	<p>Observe children’s interactions in small groups. How effectively do children work in their groups? What roles do they take on?</p> <p>Reflect on the whole group sharing of one group’s response. What more was revealed about children’s understanding and application of words?</p> <p>Review each sheet. Use children’s answers to inform planning for successive lessons, reteaching words, and informal conversations with individual children.</p> <p>Reflect on the routine. What worked well? What will need to be reinforced in the Week 4 lesson to make it run more smoothly?</p>
