The End of Unit Assessment is introduced during Text Talk on Day 3; time is allowed for its completion during a shortened Text Talk lesson on Day 4 as well as at the Writing Station, Days 3-5. Children read a summary of the beginning and middle and an excerpt from the end of *Going Home, Coming Home* and then respond to both multiple choice and long answer questions. For children who need additional support understanding how to complete the assessment, or who need adult guidance to respond to the questions, convene a teacher-led small group or work with children individually during Stations.
