

## Talk About It

Name: \_\_\_\_\_ Date: \_\_\_\_\_

The Whanganui River in New Zealand is the first river in the world to be recognized as having the same rights as human beings. What makes a river alive?

Look carefully at the image or watch the video. **Talk** with your partner, **draw and write** about your ideas, and then **share** your writing. Use important vocabulary words as you talk and write. **Circle** the important words you use.
