

MATH CENTER

We can create forts using ten or fewer blocks. We can solve subtraction problems by taking away blocks and solving for the total number left. We can use a ten frame to aid our work.

Optional: Cut out cards to use during the center activity or use dice

Fort Challenge Card	Fort Challenge Card	Fort Challenge Card	Fort Challenge Card	Fort Challenge Card
-0	-9	-8	-7	-6
				
Fort Challenge Card	Fort Challenge Card	Fort Challenge Card	Fort Challenge Card	Fort Challenge Card
-5	-4	-3	-2	-1
