

Planned Learning Experience / Title

Intention:

purpose of the learning experience

Area of Development:

List all general areas of development that will be supported by this learning experience.
(MELDS Domains)

Specific Objective:

What specific skills/knowledge or behaviors do you want children to practice? (MELDS Standards/Indicators)

Documentation of children's learning:

How can/will you document what children have done? (Ex: Photos; Observation Records (type?); Child's Work Samples; Child's Words; Video Records; Audio Records; Other?)

Materials Needed:

Preparation Needed:

What do you need to do before the learning experience can proceed?

Implementation:

- What space will you use?
- How much time will you allow for the learning experience?
- What materials will you prepare?

Step-By-Step Instructions:

- How will you set up or clean up?
- How will you present your learning experience to the children so that all children including those with varied ages, learning styles, cultures, languages and / or disabilities are included and can participate?
- How will you scaffold learning (support, direct, stretch, stimulate)?

Assessment

If appropriate, what tool was used? Outcomes looking for?

Evaluation

What evidence would there be that your specific learning experience objectives were/were not met?
