

Eligibility for State-Supplied Vaccine in the School-Located Vaccine Clinic Setting

Vaccine is supplied free of charge in the School-Located Vaccine Clinic (SLVC) setting to residents of the State of Maine that meet the following criteria:

All Maine children under the age of 19, including:

- Children enrolled in approved public and private schools
- Children that are home-schooled
- Children who reside in another state who are enrolled in school in Maine and are not receiving vaccine in their home state
- Children who are residents of foreign countries who are enrolled in Maine schools (therefore live in Maine during the school year and are eligible to be counted in the US Census)

COVID vaccine will be provided at no cost. For people covered by Medicare, Medicaid, and most commercial insurance plans, the vaccine will be covered by insurance with no out-of-pocket cost. For uninsured people, any administrative fees charged by participating providers will be paid for by the federal Provider Relief Fund.

- Anyone age 12 or older is eligible to receive the COVID-19 vaccine in Maine.
- **Note that only the Pfizer vaccine is currently authorized for 12-17-year-olds.** See the following link for more information: [COVID Vaccine Fact Sheet Youth Under 18.pdf \(maine.gov\)](#)
- The Moderna, Pfizer, and Johnson & Johnson / Janssen vaccines are all authorized for individuals 18 and older.
